

CCCA NEWS

CCCA's desire is to build a strong biblical foundation for each child.

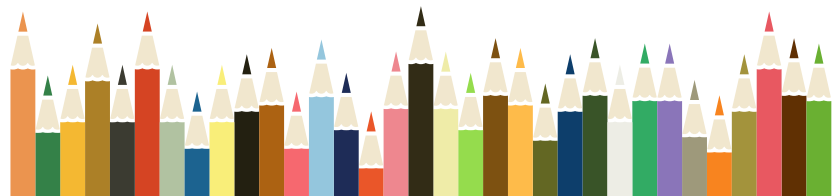

Now Enrolling!!!!

We are excited to announce the opening of Calvary Chapel Christian Academy in the city of Snowflake, Arizona. We are now enrolling kindergarten through sixth grade students for the 2021-2022 school year. We will be using a Christian based curriculum and starting each day with chapel. Our class sizes will be small, while offering music, art, physical education, and home economics. The mission of Calvary Chapel Christian Academy seeks to provide all students, including students with special needs, with a strong biblical foundation and academic excellence centered on Christ's teaching. We will assist each family with funding opportunities. Contact us today @ (928) 536-4479.

CCCA's History:

Calvary Chapel Christian Academy began as an idea in the summer of 2020. Pastor Dave shared his desire to open a christian school to offer families an alternative to the public school system. As the conversation started as an idea it lead church members who took the idea and put the idea into action. The church has offered several meetings to educate parents about the vision of the school and various ways to help fundraise to ensure each student's attendance. Jesus said, "Let the little children come to Me, and do not forbid them; for such is the kingdom of heaven." Matthew 19:15

About the School

It is going to be an exciting school year! Six students are currently enrolled in both the private christian school and tutoring services. ESS Tutoring LLC will provide services to address their individual needs. We have money available for two students to attend with full funding. We will be starting off each day with chapel. We will be utilizing Go Math for our younger students as well as Foundations, a phonics based reading program taught kindergarten to second grade. We will be utilizing the ABC Homeschool Science Program with a biblical focus. Social studies will be utilizing the Bible as our primary source creating lessons with a biblical framework.
